SUMMARY

(OFFICIAL USE ONLY) Forwarded in the form of a processed negative film strip are the following listed technical specifications for current construction prepared by Kamprann, Kierulf & Saxild A/S (KAMPISAX) of Denmark:

- a. General Structures at Bandar Shahpur (in French)
- b. Main Jetty at Khorramshahr (in English)
- c. Transit Sheds at Bandar Shahpur (in English)

Also forwarded are 10 photographs taken from Shatt-al-Arab showing the jetty, some transit sheds and other items under construction at Khorramshahr as of 31 October 1959, and drawings showing elevations and plan of transit sheds and a plan of the construction area at Bandar Shahpur. Report includes status of construction for items at both ports and comments by a Plan Organization official.

~~CONFIDENTIAL~~

2. (C) Comment by Plan Organization Ports Official on 5 December 1959:

Progress at both ports is satisfactory and no problems exist except at Khorramshahr where port operations regularly interfere with construction. KAMPSAX work at Bandar Shahpur is expected to be finished by the end of year 1339 (March 1961) and at Khorramshahr during 1340 (March 1961 to March 1962). (B-2 Evaluation)
